

Remarks

Applicants submit these amendments which direct the application exclusively to a single set of method claims without any change in the scope of the allowed claims. Claims 10-22 are cancelled. Applicants reserve the right to pursue these canceled claims in a continuation application.

Applicants request that these amendments be entered in accordance with MPEP §714.16. Applicants submit the enclosed amendments to cancel non-method claims and to the title and abstract to conform to the type of claims remaining. Applicants note that entering of these amendments is within the discretion of the Examiner because cancelation of claims from the application does not require approval from the Examiner's supervisor. MPEP §714.16(d).

Respectfully submitted,
